## **Part One – Basic Certification (WSIB Approved Provider) One day per week over three weeks.**

This 3-day course provides individuals with the skills they require to identify, assess and control hazards in the workplace and to fulfill the legislated duties and requirements as per the WSIB standards. Our Part One - Basic Certification Training program is run one day a week over a 3-week period to help reduce the impact on company productivity. Should an employee miss one of the 3-day sessions, they are able to attend the day missed at a later session to complete their certification. Each day has specific modules covered and is consistent for all training sessions.

Day One: 8:30 am to 4:30 pm

- Health and Safety Law
- Joint Health and Safety Committees / Certified Representatives

Day Two: 8:30 am to 4:30 pm

- Hazard Identification, Assessment and Control

Day Three: 8:30 am to 4:30 pm

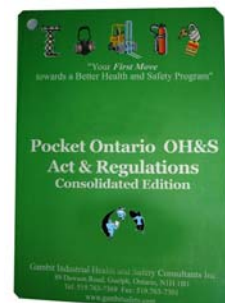

- Accident Investigations
- Prevention Resources
- Final Exam

Method of Instruction: Interactive presentation, brief lecture, group discussions, individual and group exercises and videos.

Who Should Attend: Human Resources Managers, Managers, Supervisors, Lead hands and Joint Health & Safety Committee Members.

### Course Length

- 3 days (7 hours training and 1 hour lunch)
- Refreshments provided.
- Includes all materials, certificate and a copy of the Occupational Health & Safety Act
