

Audits, Inspections and Training Since 1996

Gambit Industrial Health and Safety Consultants Inc.

Senior Management

This course will provide Senior Management with knowledge pertaining to the Occupational Health and Safety Act and Regulations, Bill-C45, and Due Diligence.

Participants will:

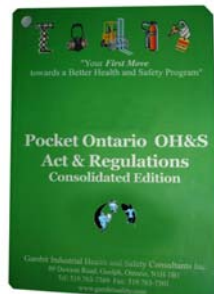

1. Understand the organization and contents of, and definitions in the Occupational Health and Safety Act.
2. Describe the duties and responsibilities of employers and supervisors, workers and Joint Health and Safety Committees.
3. Describe the nature of enforcement, offences and penalties in terms of non-compliance with the Act.
4. Discuss the impact of Bill C-45 on corporations and individuals.
5. Review what actions employers should take to demonstrate "Due Diligence".
6. Health and safety program content and management.
7. Review the need for workplace audits and inspections.
8. Latest initiatives by the WSIB

Method of Instruction: An interactive presentation, group discussions, and individual exercises, and certificates provided.

Who Should Attend: Senior Management, Management, Supervisors, Lead Hand, JHSC members

Course Length: 3 hours

- Copy of The Act is available at \$25.00 plus taxes (this is Gambit's cost)
